

Traciana Graves[®]

America's Go-To Strategist
for Creating Cohesive Workplaces
and Safe Colleges

Introduction for Traciana Graves:

Over the last several years, Traciana Graves, speaker and trainer, has gained national recognition as one of America's leading strategists for creating safe and cohesive schools, workplaces and communities. She is the founder of the Say Something Beautiful initiative.

Say Something Beautiful is an international platform that empowers people of all ages, and from all walks of life, to lead safe and inspired lives. It gives you an outlet to share your voice any way you choose, to support, strengthen and change yourself, your community and the world.

Traciana's insights have been regularly featured on national media outlets including AOL, Working Mother Media, WPIX, the Huffington post, and FOX Business News.

Traciana Graves is a graduate of Georgetown University and New York University.

Traciana is also the her newly launched BLOG Founder, Bully Proof Diva: How to be Bold, Brilliant, and Bully-Proof at Work and in Life.
